EDUCATION

2025, Master's Historic Preservation (MHP), University of Kentucky, Lexington, KY
2025, Appalachian Studies Graduate Certificate, University of Kentucky, Lexington, KY
2008, Master's Library and Information Science (MLIS), University of Kentucky, Lexington, KY
1997, Bachelor's Fine Art (BA), photography concentration, magna cum laude, University of Kentucky, Lexington, KY
1984, Audio Engineering Certificate, The Recording Workshop, Chillicothe, Ohio

EXPERIENCE

Oral History Archivist, Librarian III (Assistant Professor), July 2025-present, Louie B. Nunn Center for Oral History, Special Collections Research Center, University of Kentucky Libraries, Lexington, KY

- Manage a collection of 20,000+ oral history interviews from 800+ oral history projects. This includes digital and analogue file organization, metadata, rights, restrictions, discoverability, and access in the Nunn Center catalog and content management system (CMS) SPOKEdb. kentuckyoralhistory.org
- Migrate, develop, and maintain records in Nunn Center media delivery system Aviary nunncenter.aviaryplatform.com
- Collaborate with the Nunn Center Director on the development, workflow, harvest, and dissemination of Artificial Intelligence (AI) generated oral history metadata using [SpeakEZ](#).
- Digital preservation and digital file management, develop preservation specifications and guidelines for the long-term preservation of digital data
- Supervise one to two FTE Processing Archivists, and periodic temporary (STEPS) transcript/indexing employees with oversight of indexing in the Oral History Metadata Synchronizer (OHMS), digitizing audio and video materials, transcript authenticators, indexing technicians, podcast assistants, and student employees.
- Manage information metadata files for online access indexed through [Oral History Metadata Synchronizer \(OHMS\)](#).
- Consultation services to national, state, and local oral history project partners.
- Conduct oral history interviews, create oral history projects for research, and promote partner donation.

- Collaborate with the Nunn Center Director on long-term collection growth and planning, indexing and access initiatives, technological advances, project design, digital preservation strategies, statistical, promotional planning, and Special Collections Research Center (SCRC) collaborations.
- Provide coordinated reference services with the Nunn Center Reference Librarian and the SCRC Breckinridge Reading Room, and consultation services to UK Libraries staff, project partners, and community members, including Gaines Center for the Humanities Fellows.
- Oversee interview studio audio and video scheduling, and provide A/V consultation as needed. Administer video editing and post-production for the Nunn Center.

Curator of Newspapers, Librarian III (Assistant Professor), July 2025-present, Special Collections Research Center, University of Kentucky Libraries, Lexington, KY

Guide access, rights, and acquisition of historic and contemporary digital Kentucky newspapers for the Kentucky Digital Newspaper Program (KDNP). Liaison to newspaper publishers, the Kentucky Press Association (KPA), the National Digital Newspaper Program (NDNP), the Library of Congress, the International Federation of Libraries Associations (IFLA), and others keen to understand and undertake the preservation and digitization of newspapers and newspapers on microfilm. Collaborate with UK Libraries' Digital Library Services, Cataloging and Metadata, and Library Information Technology on digitization, preservation, collection growth, and program planning. Represent UK Libraries in newspaper preservation and digitization expertise at home and abroad. Supervise one FTE Program Manager.

- Principle Investigator and grant writer of National Endowment for the Arts (NEA) National Digital Newspaper Program Grant (NDNP) 2023-2025
<https://www.loc.gov/ndnp/>
- Facilitate and negotiate a successful agreement between UK Libraries and Newspapers.com <https://www.newspapers.com/>
- Team Member of Self-Emancipated and Enslaved Kentucians (SEEK), a database of fugitives from American slavery and a digital humanities partnership with the Commonwealth Institute for Black Studies (CIBS). From 2017 to 2025, an affiliate of Mellon funded the national Freedom on the Move project administered through Cornell University <https://freedomonthemove.org/>
- News Media representative on the IFLA Digital Cultural Heritage Network
- Newspaper and news media liaison to state historical societies, libraries, and cultural institutions
- Establish and build the Kentucky Digital Newspaper Program's online Exhibit portal to promote the value of research through Kentucky newspapers
kdnpx.omeka.net
- Manage and maintain 237+ historic Kentucky newspaper titles in the KDNP
kentuckynewspapers.org

- Establish and build the Kentucky Digital Newspaper Program's online program portal kentuckynewspapers.org/program - transitioned to kentuckynewspapers.org/about in 2025
- Chaired the conference planning committee of six faculty librarians for the 2016 International Federation of Libraries and Archives (IFLA) News Media Session in Lexington, KY
- Team member on 2022 KDNP integration into the UK Libraries OPAC
- Provide reference services
- Supervise One FTE Program Manager

Oral History Archivist, Librarian IV (Instructor), April 2022-June 2025, Louie B. Nunn Center for Oral History, Special Collections Research Center, University of Kentucky Libraries, Lexington, KY

Curator of Newspapers, Librarian IV (Instructor), April 2022-June 2025, Special Collections Research Center, University of Kentucky Libraries, Lexington, KY

Oral History Archivist, August 2013-March 2022, Louie B. Nunn Center for Oral History, Special Collections Research Center, University of Kentucky Libraries, Lexington, KY

Responsible for oral history interviews and projects, metadata, discoverability, rights, restrictions, and access through SPOKEdb, and the digital preservation of the digital data, including digitization of analog assets. Enabled extensive collection growth of analog and born-digital oral histories through erasure of backlog, beginning with 7,000 accessioned interviews in 2013 to 15,500+ in 2022. Manage multiple technology migrations such as Drupal to Omeka, Kaltura to Vimeo, local audio streaming to Aviary. Supervise one full-time staff archivist charged with indexing oral histories through the Oral History Metadata Synchronizer (OHMS) and digitizing audio and video materials, numerous temporary Oral Historians, transcript authenticators, indexing technicians, podcast assistants, and student employees. Liase with national, state, local, and faculty project partners to provide guidance on workflow, rights, access, and project growth. Conduct oral history interviews, create oral history projects for research, and promote outside partner donation. Collaborate with the Nunn Center Director on collection growth, indexing, access, technology advancements, digital preservation, statistics, promotional planning, and Special Collections Research Center (SCRC) collaborations. Provide reference services, assist the SCRC Breckinridge Reading Room, and consultation services. Manage and maintain interview studio audio and video equipment, scheduling, and provide interview and aesthetic consultation as needed. Administer video editing and post-production for the Nunn Center.

- Supervise one FTE Processing Archivist, and numerous full and part-time temporary (STEPS) Oral Historians and transcript/indexing employees
- Indirect supervision of transcript/indexing technicians and student indexing employees

- Collaborate daily with Nunn Center Director on collection growth and planning, indexing and access initiatives, digital preservation strategies, project design and needs
- Help build and maintain the Nunn Center Interview Studio
- Conduct and contribute to oral history interviews and projects
- Administer and maintain oral history collection management tool and content management system SPOKEdb kentuckyoralhistory.org
- Manage information metadata files for online access generated by indexing in the Oral History Metadata Synchronizer (OHMS) ohms.uky.edu
- Develop and maintain digital preservation specifications and guidelines for the long-term preservation of digital data
- Migrate, develop, and maintain records in Nunn Center media delivery system Aviary nunncenter.aviaryplatform.com
- Implement post production video output and accessibility
- Provide reference services inside and out of SCRC's Aeon request system.

Curator of Newspapers, August 2014-March 2022, Special Collections Research Center, University of Kentucky Libraries, Lexington, KY

Librarian IV (Instructor), Guide access, rights, and acquisition of historic and contemporary digital Kentucky newspapers for the Kentucky Digital Newspaper Program (KDNP). Liaison to newspaper publishers, the Kentucky Press Association (KPA), the National Digital Newspaper Program (NDNP), the Library of Congress, the International Federation of Libraries and Associations (IFLA), and entities keen to understand and undertake preservation and digitization of newspapers and newspapers on microfilm. Collaborate with UK Libraries' Digital Library Services, Cataloging and Metadata, and Library Information Technology on digitization, preservation, collection growth, and program planning. Represent UK Libraries in newspaper preservation and digitization expertise at home and abroad.

- Establish and build the Kentucky Digital Newspaper Program's online Exhibit portal to promote the value of research through Kentucky newspapers kdnpx.omeka.net
- Manage and maintain 237 historic Kentucky newspaper titles in the KDNP kentuckynewspapers.org
- Establish and build the Kentucky Digital Newspaper Program's online program portal kentuckynewspapers.org/program
- Chaired the conference planning committee of six faculty librarians for the 2016 International Federation of Libraries and Archives (IFLA) News Media Session in Lexington, KY
- Team member on 2022 KDNP integration into the UK Libraries OPAC
- Provide reference services

Project Manager, 2007-2013, NEH Funded National Digital Newspaper Program (NDNP),

Preservation and Digital Programs, Special Collections Research Center, University of Kentucky Libraries, Lexington, KY

Manage and oversee collection development of over 400,000 newspaper pages from 78 Kentucky newspaper titles for the Library of Congress' *Chronicling America*, including responsibility for the budget. Responsible for CONSER cataloging, metadata, digitization production, quality control, vendor and donor relations, staff oversight, and acting as the primary contact to the Library of Congress. Wrote three successful NEH NDNP continuation grants totalling \$967,967. Other responsibilities included internal and national reporting, promotions, marketing, liaison to newspaper publishers, patrons, KY-NDNP advisory board of historians, archivists, librarians, and publishers, and the creation of *meta|morphosis: university of kentucky film-to-digital institute*. Responsible for the design, production, and direction of the online teaching tutorials (2011 to present) as the in-person institute was a joint effort of the KY-NDNP team.

- Supervised two part-time student assistants and 16 student technicians to create bounding box data and metadata of newspaper images
- Created, and instructor for, *meta | morphosis: university of kentucky film-to-digital institute* (2006-2009)
- Produced *meta | morphosis: university of kentucky film-to-digital institute* into the series of online video teaching tutorials based on the seminar, and built the web content portal presentation, 2010-present
<http://www.uky.edu/Libraries/NDNP/metamorphosis/>
- Designed and built the KY-NDNP website <https://www.uky.edu/Libraries/NDNP/>
- Developed the Hosted/Hybrid and outsource digitization production models adopted by other NDNP awardees
- Produced the radio series *My Old Kentucky News* that aired on NPR Affiliate WUKY-FM, Lexington, KY

Senior Digital Imaging Specialist, 2004-2007, University of Kentucky Libraries

Managed multiple concurrent projects for the Kentuckiana Digital Library and UK Libraries Digital Programs to digitize archival materials for online access and preservation. These materials included photographic prints and negatives, maps, books, journals, newspapers, microfilm-to-digital conversion of microfilm and audio. Consulted with faculty, donors, and vendors.

- Established audio digitization workstation, developed workflow, and created best practices on audio digitization for the Louie B. Nunn Center for Oral History, Special Collections Research Center
- Provided metadata, newspaper, and microfilm technologies and appendices for the initial NEH grant to the National Digital Newspaper Program (NDNP)

Digital Imaging Specialist, 2002-2004, [IMLS funded "Beyond the Shelf,"](#) University of Kentucky Libraries

Administered microfilm-to-digital conversion of 1,500 imperiled Kentuckiana books, created workflow management, project documentation and statistics.

Preservation Microfilmer, 2001-2002, University of Kentucky Libraries

Microfilmed contemporary Kentucky newspapers, created procedural microfilm and photographic documents including statistical analysis.

Artist, 1993-present, Jackson Studios, kopana.net, Lexington, KY

Create daily blog [the outhouse: where art goes](#) along with occasional photography, design, web design, and copy services. SEE: Exhibitions and Publications.

Recording artist, 1985-1992, *Stealin Horses*, Lexington, KY and Nashville, TN

Recording artist on Arista records (1987-1989), and Malaco (Waldoxy) records (1989-1992)

- <https://www.allmusic.com/artist/stealin-horses-mn0000745271>

RELATED EXPERIENCE
